

## Roanoke Valley Drinking Water Clinic

### Monday, August 21, 2017

Does your water come from a well, spring, or cistern?

Do you want to learn more about the quality of your water?

How it works:

1. At a brief informational meeting, pick up a sample kit and get instructions to collect your household water sample (08/21/17, 6:00 pm, Noel C. Taylor Municipal Building, EOC Room, 1<sup>st</sup> Floor).
2. Collect a sample from your tap at home and complete a short questionnaire.
3. Drop off sample at a designated location and time - (08/23/17, between 7:30-9:00 am, Noel C. Taylor Municipal Building, EOC Room, 1<sup>st</sup> Floor).
4. About 4 weeks later, come back to get your confidential test results, an explanation of what the numbers mean, and information on how to handle any problems that are present. If you can't attend this meeting on this day, then results will be mailed to you.

Where: Noel C. Taylor Municipal Building, EOC Room, 1<sup>st</sup> Floor

Cost: \$55 (includes sample analysis cost to test for selected chemical and bacteriological constituents –a \$300 value)

Register: Space is limited - Pre-register by August 9th. Contact the Roanoke Extension Office at 540-772-7524, [mskimb8@vt.edu](mailto:mskimb8@vt.edu) with questions. Checks made payable to VCE-Roanoke or pay on-line at [www.offices.ext.vt.edu/roanoke](http://www.offices.ext.vt.edu/roanoke) (register as Family/Consumer Science program) and email or mail your receipt along with registration to VCE-Roanoke, 3738 Brambleton Avenue, SW, Roanoke, VA 24018-3639. There is a \$50 fee for returned checks.
